Its foliage somewhat resembles our native Cornus florida. The beauty of the tree is in its flowers, produced in large creamy, white bracts. Hardy to Mass. So great is the demand for this seed, that we financed our own private expedition to China, which has just returned with the seed, and cabled us from Central China that the seeds had been forwarded to us. Seed require one year's stratification. Seeds 50c each. 10 seeds $4.50. 25 seeds $10.00. 100 seeds		$35.00
